Advice

- 1 The Victorian Independent Remuneration Tribunal (**Tribunal**) advises the Victorian Health Building Authority (**VHBA**) that it does not support paying the executive in the position of Project Director, Warrnambool the total remuneration package (TRP) range proposed.
- 2 The Tribunal advises that an appropriate TRP for an executive in this position is within the SES-1 band, which ranges from \$199,014 to \$257,111.
- 3 The Tribunal considers that:
 - (a) the submission does not set out a valid rationale for why it is necessary to pay the position above the band; and
 - (b) the VHBA should conduct a recruitment process for the position with an advertised remuneration that is within the SES-1 band.
- 4 This advice is current for 12 months. If the executive position is not filled within this time, the employer must seek new advice from the Tribunal.
- 5 Once an executive has been identified for the position:
 - (a) if the employer proposes to pay the executive an amount greater than the range specified in this advice, the employer will need to seek new advice from the Tribunal; and
 - (b) the employer must inform the executive that this advice has been sought from the Tribunal and has been published on the Tribunal's website.
- 6 The Tribunal notes that its advice must also be sought again for a mid-contract remuneration adjustment, reappointment or a new appointment, if it is proposed to pay the executive above the maximum of the remuneration band.
