Advice

- 1 The Victorian Independent Remuneration Tribunal (Tribunal) advises the Treasury Corporation of Victoria that an appropriate total remuneration package (TRP) range for an executive in the position of Managing Director is \$550,000 - \$650,000 per annum.
- 2 The Tribunal considers it appropriate that this position be paid within a TRP range of \$550,000 - \$650,000 per annum, which exceeds the maximum of the remuneration band, for the following reasons:
 - (a) The functions and responsibilities of the position.
 - (b) The skills and experience that are relevant to the position.
 - (c) Relativities with similar positions.
 - (d) The remuneration benchmarking analysis available to the Tribunal.
- 3 This advice is current for 12 months. If the executive position is not filled within this time, the employer must seek new advice from the Tribunal.
- 4 Once an executive has been identified for the position:
 - (a) if the employer proposes to pay the executive an amount greater than the range specified in this advice, the employer will need to seek new advice from the Tribunal; and
 - (b) the employer must inform the executive that this advice has been sought from the Tribunal and has been published on the Tribunal's website.
- 5 The Tribunal notes that its advice must also be sought again for a mid-contract remuneration adjustment, reappointment or a new appointment, if it is proposed to continue paying the executive above the maximum of the remuneration band.
